

## myEFUF - How to upload a poster to the myEFUF app

1. Download the myEFUF app:

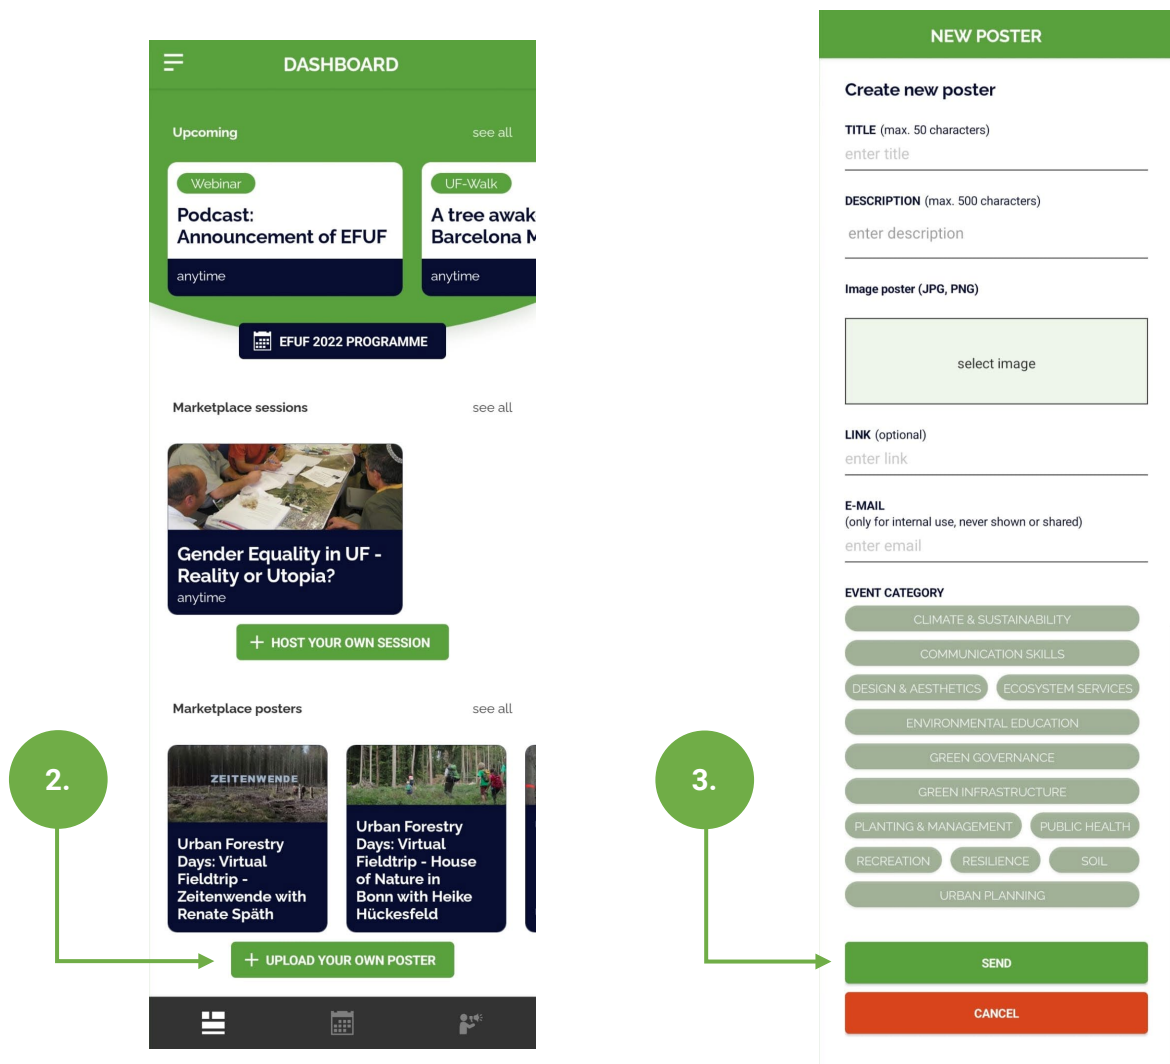

[Google Play \(Android\)](#)

[App Store \(iOS\)](#)

2. Open the app, scroll down, and tap on the green button “+ UPLOAD YOUR OWN POSTER”.
3. First add a title, description, an image poster, an optional link, and an e-mail address. Next you can choose the event category and save your poster by tapping on “SEND”.

The image shows two screenshots from the myEFUF app. The left screenshot is the 'DASHBOARD' screen, which features a green header and a menu icon. It displays 'Upcoming' events like 'Podcast: Announcement of EFUF' and 'A tree awak Barcelona N', 'Marketplace sessions' such as 'Gender Equality in UF - Reality or Utopia?', and 'Marketplace posters' like 'Urban Forestry Days: Virtual Fieldtrip - Zeitenwende with Renate Späth'. A green button labeled '+ UPLOAD YOUR OWN POSTER' is highlighted with a green circle and the number '2.'. The right screenshot is the 'NEW POSTER' form, which has a green header and a title bar 'Create new poster'. It includes input fields for 'TITLE (max. 50 characters)', 'DESCRIPTION (max. 500 characters)', 'Image poster (JPG, PNG)' (with a 'select image' button), 'LINK (optional)', and 'E-MAIL (only for internal use, never shown or shared)'. Below these are 'EVENT CATEGORY' buttons for various topics like 'CLIMATE & SUSTAINABILITY', 'COMMUNICATION SKILLS', etc. A green 'SEND' button and a red 'CANCEL' button are at the bottom. A green circle with the number '3.' points to the 'SEND' button.
